Education

University of Konstanz — Konstanz, Germany
Ph.D. student, Department of Computer and Information Science — 2022–now

University of Konstanz — Konstanz, Germany
Master of Science (with distinction), Department of Computer and Information Science — 2021–2022

- Grade: 1.3

Shandong University — Qingdao, China
Bachelor of Engineering, Taishan College (National Top-Notch Undergraduate Training Program) — 2016–2020

- GPA:
  - 88.7/100 (Major)
  - 85.3/100 (Overall)
- Honor of China Top-Notch Undergraduate Training Program

Experience

University of Konstanz — Konstanz, Germany
Student Assistant — October 2021 – March 2022

Shandong University — Qingdao, China
Research Assistant — July 2020 – March 2021

Shandong University — Qingdao, China
Teaching Assistant — Fall 2019 – Fall 2020

Skills

- **Programming:** C/C++, Python
- **OS:** Linux, Windows, macOS
- **CG:** OpenGL, WebGL
- **Web design:** Javascript, Typescript, React
- **Typography:** LaTeX, MarkDown
- **Database:** MySQL, MongoDB

Research Interests

- **Visualization**
- **Computer Graphics**
- **Human-Computer Interaction**
- **Mobile**

Projects

Epidemic Data Visualization (2020)

- I participated in the implementation of epidemic analysis system, which helped the province government formulate policies and control the spread of the coronavirus. The system was written by JavaScript, D3.js and Vue.js.

CA2: Cyber Attacks Analytics (2020)

- I participated in the implementation of a visual analysis system for VAST Challenge 2020 Mini-Challenge 1. This system has a variety of visual analysis tools, with a complete front-end and back-end, which can help users find a group of people causing internet outage. And we won the honorable mention of this year's VAST Challenge.

Awards

- Mini-Challenge 1 Honorable Mention: Streamlined Analysis Process, VAST Challenge, IEEE VIS 2020 — 2020
- Honor of China Top-Notch Undergraduate Training Program — 2020
- Honorable Mention, MCM/ICM 2019 — 2019
- Outstanding Academic Scholarship, Shandong University — 2019
- Study Abroad Scholarship, Taishan College, Shandong University — 2018
